

# Coastal Cleanup Crew

**Clean up some trash, get community service hours, and have the chance to win prizes while doing it!**

**Mission:** Friends of the Bay hopes to encourage cleanups year-round by individuals and groups all around the Oyster Bay / Cold Spring Harbor watershed, not just on the beach.

## How you can participate:

### 1. REGISTER

Register as an individual or team with FOB's volunteer coordinator, Amanda Hornung. Your team can be as big as 4 people, or as small as just you.

Email Amanda at [volunteers@friendsofthebay.org](mailto:volunteers@friendsofthebay.org)

### 2. CLEAN & DOCUMENT

Go out wherever and whenever you wish to collect trash in our area and fill out a collection sheet obtained from Amanda. This can include places like the beach, parks, sidewalks, storm drains, culverts, wetlands, etc. Let the trash guide you.

### 3. REPORT BACK

Contact Amanda with the following information to be considered for prizes:

1. The location where you cleaned
2. The duration of the cleanup
3. A photo of the individual or group along with the trash collected
4. A photo of the trash data collection sheet

Community service certificates can also be requested

Prizes will be given to the individual or group who has spent the most time cleaning up our town. **The grand prize is a ride for up to four people on the Friends of the Bay boat.**
